

Free Your Mind

Workshop by Julie Brown Neu

Exercise your creative problem solving skills and get rid of a UFO with this hands-on class. Bring a stack of blocks from your UFO drawer, a little fabric from your stash, and leave with a finished top (or leave a finished top behind to be donated to charity). Either way, you'll return home with a sense of accomplishment and more space for new fabric.

SUPPLY LIST

UFO - Please bring a UFO that you are ready to give up on. Do not bring your UFO that's just a few blocks away from being an award-winner! This is not the class in which to complete a quilt that you have an attachment to. Your UFO should include at least 6 completed blocks, if large blocks, or 12 completed blocks, if small blocks.

Any cut pieces that could be made into additional blocks for your UFO

1 yard fabric (If it's fabric for your UFO, that's all the better, but it is not necessary that it match your UFO.)

Sewing machine and supplies (including thread snipping scissors, if you use them)

1/4" foot

piecing thread

rotary cutter

rotary cutting mat

ruler
